Sir:

This is in response to the Office Communication dated September 24, 1999 requesting clarification as to whether the cut-up copy or the dialogue is intended in Applicants' response to information requested in the Office Communication dated January 25, 1999. It also is noted that there is no litigation related to this reissue application.

Applicants herein again submit a cut-up copy of the patent, in accord with the certificate of correction, and amendment in accordance with the 37 CFR 1.173 column format at MPEP 1411. Any changes, additions, or deletions that were made by a Certificate of Correction to the original patent grant are included without underlining or bracketing in accordance with MPEP 1411.01. The requested amendments are entered in red on the cut-up copy of the patent. The corresponding evidence of support for the amendments presented, in accord with MPEP 1453, is found in the Remarks section. The Examiner is respectfully requested to enter the requested amendments as indicated on the cut-up copy of the patent in this request.
